

DOWNLOAD FOR FREE WITH KINDLE UNLIMITED If your beloved died or was killed, how would you cope? Nellie Carter is thirty years old and has already had to deal with the murder of her beloved husband Elmer just two months ago. Afraid to leave her home and confined to the house during her self-imposed mourning period, Nellie has become reclusive and would have starved to death if not for her protective older brother. However, he knows that she must move on with life, and a request for a mail order bride in an Amish community is the perfect chance to start over anew. The beautiful widow finds new purpose in life with the introduction of a totally new way of living, from the way she dresses to caring for children on a daily basis. She must relearn everything she knows, be willing to uphold the tenets of the Amish faith, and accept the handsome stranger as her husband without even seeing him first. It is a leap of faith, but one that Nellie knows is necessary if sheâ€™s ever to escape her shell of sadness. She heard the crack of the gun when it fired. She watched her husband fall to the ground, his hand ripped from hers. She screamed. She felt a hard blow to the back of her head and saw only black. When she awoke, she crawled to Elmer. She covered him with her body and sobbed, wishing she could bring him back to life with her own energy. She called out to God. Her mind filled with sorrow and pain. She cried and cried and criedâ€™. Matthew Miller has also experienced his share of tragedy with the slow death of his wife Elizabeth nearly a year before, but his four children need a mother and he must have a companion to walk with him down lifeâ€™s roads. Since there are no women his age in his small Amish community, he advertises in local towns for a mail order bride, trusting that God will lead the right woman to respond. When he meets the beautiful widow, he knows that his trust was not misplaced, but worries about how his children will respond to the new female figure in the house. For Matthew and his family, Nellie comes as a breath of fresh air, a time for new friendship and much-needed extra help. More than just another hard worker and intelligent mind, Matthew realizes that he might finally have found the love he so desperately desired. However, he must wait to see if she reciprocates his heartfelt devotionâ€™. Can Nellie heal from her broken heart in order to find love again with Matthew? Will Matthew be able to move past his own grief and accept his mail order bride as a gift from God? . >>> Amish Country of Hope Series in Reading order 1. AMISH Debacle, <http://amzn.to/22dSM8P> 2.
