

Charlotte Brontes life contained all the drama and tragedy of the great Gothic novels it inspired. Like Jane Eyre, she was raised motherless on remote Yorkshire moors and sent away to a brutally strict boarding school at a young age. Charlotte grew up and watched helplessly as, one by one, her five beloved siblings sickened and died; by the end of her short life, she was the only child of the Bronte clan remaining. And, most fascinating and tragic of all, throughout her adult life she was haunted by a great and unrequited love - a love that tortured Charlotte but also inspired some of the most moving, intense, and revolutionary novels ever written in the English language. Charlotte was a literary visionary, a feminist trailblazer, and the driving force behind the whole Bronte family. She encouraged her sister, Emily, to publish *Wuthering Heights* when no one else believed in her talent. She took charge of the familys precarious finances when her brilliant but feckless brother, Branwell, succumbed to opium addiction. She travelled from Yorkshire to Europe to the bright lights of London, met some of the most brilliant literary minds of her generation (Elizabeth Gaskell, Charles Dickens, William Thackeray), and became a best-selling female author in a world still dominated by men. And in each of her books, from *Villette* and *Shirley* to her most famous, *Jane Eyre*, Charlotte created brand new kinds of heroines inspired by herself and her life - fiercely intelligent women burning with hidden passions. This beautifully produced landmark biography is essential listening for every fan of the Bronte familys writing, from *Jane Eyre* to *Wuthering Heights*. It is a uniquely intimate and complex insight into one of Britains best loved writers. This is the literary biography of the year; if you loved Claire Tomalins *Charles Dickens*, this event is not to be missed.

Gainsborough Old Hall Guide Book, *The New Kid (Terror Academy)*, Code of Federal Regulations Title 46, Volume 8, October 1, 2015, *The Power of Self-Suggestion (Classic Reprint)*, *Can a Christian be Homosexual? (Volume 1)*,

Summary: A groundbreaking biography that places an obsessive, unrequited love at the heart of the writer's life story, transforming her from the tragic figure we . . . There's a fire and a fury raging in that little woman and scorching her heart, author William Makepeace Thackeray observed of Charlotte. *Charlotte Bronte: A Fiery Heart* by Claire Harman puts her unrequited romance at the center of her creative life . . . LA Times book review. *Charlotte Bronte: A Fiery Heart* by Claire Harman is a biography of the author of *Jane Eyre* and other classics, which corrects the record of.
