

The Dell Four-Color series presented a wide variety of subjects, genres, and styles of comic. One of their most popular genres were books based on the top television shows of the day; we've got many terrific TV comics: 77 SUNSET STRIP THE AQUANAUTS DANGER MAN THE DETECTIVES DR. KILDARE HENNESEY SEA HUNT TROUBLESHOOTERS RARE COMICS CAN BE HARD TO FIND IN EXCELLENT CONDITION. These books are reprinted from the best available images, and the books will be updated as new copies are uncovered. Sometimes the early and rarer books reflect the age and the condition of the originals. Our books are NOT digitally remastered; they are taken from scans of actual comics. Many people enjoy these authentic characteristics. If you are not entirely happy, please contact us for exchange or refund at any time! If you send us your contact/delivery information, as a book is updated, you will receive a revised version free of charge!
