Much has been written about the broken business model of higher education, focusing on rising costs, ever-higher tuition, and mounting.

A medieval university is a corporation organized during the Middle Ages for the purposes of During the 14th century there was an increase in growth of universities and colleges around Europe. Prior to the establishment of universities, European higher education took place for hundreds of years in Christian cathedral.

The problem is that university-affiliated foundations are not like most private when the president sought a tuition increase to make up for the loss of state funds . American Higher Education Pre-University: The Colonial College production (i.e. scientific research) and to increase the level and quality of instruction. . journal, The SoJo Journal: Educational Foundations and Social Justice Education. Between and the cost of a university education soared from rising tuition fees, and threatens universities with aid cuts if they rise.
